Dear Lindsey Facilitator,

I hope this message finds you well! A new Health History Screening has been completed by LINDSEY. Their personalized Recommendation Report is now available for your review. The report can be accessed through your dashboard or via the link provided below. Please review the report at your earliest convenience to ensure that all health considerations are addressed before the event.

At **Sit Safe**, our goal is to provide you with the insights and guidance needed to ensure a safe and meaningful experience. This report includes important health considerations based on your responses, helping you and your facilitator prepare for the retreat.
