

QUICK START GUIDE

LOG INTO SITSAFE

Access your account and navigate to the **Events Dashboard**, your main hub for event management.

YOUR EVENTS DASHBOARD

- This is your home screen after logging in.
 - Moving forward, this will display your future events and the ability to see your past events. (displayed)
- Your first time logging in, Your Events section will be blank.
- A quick-start box will guide you through creating your first event.

CREATING AN EVENT

- Click “Create Your First Event”.
- Fill in event name, choose the date, and select “Aya Ceremony” as the event type.
- Select one of the two invitation methods:
 - Individual invite → Add guests one at a time. Only invited individuals can access the form.
 - Easy link → A single link you can share with everyone. Anyone with the link can view your event and contact details.
- Click “Create” to confirm and schedule the event.

VIEWING YOUR NEW EVENT

Once your event is created, follow these steps to manage it:

After creating an event, you’ll be automatically taken to your **Home Screen**.

Here, you’ll see a list of all your upcoming events.

- Find the event you just created.
- Click on the event name to open and manage it.

1B. EDIT EVENT DETAILS (IF NEEDED)

When the event opens, you'll land on the **Event Details Screen**. This is where you can review or update information.

- Click **"Edit Details"** to make changes to the:
 - **Event Name**
 - **Facilitator**
 - **Event Type**
- After making your edits, click **"Save"**. The screen will close and your changes will be applied.

 **Note:** The **event date** is locked and **cannot be changed** after creation.

ADDING GUEST DETAILS

- Click **"Add"** to invite a guest.
- Fill in name, email, and phone.
- Choose:
 - **Send & Save Now** – sends form right away
 - **Save Only** – send it later

If you selected "Easy Link" as your invite method, click "Copy Invite Link" on the event page to share it with your guests via email or messaging.

The screenshot shows a modal form titled "Add Guest". It contains input fields for "Email", "First Name", "Last Name", and "Phone Number". The "Phone Number" field has a dropdown menu set to "US (+1)". At the bottom, there are three buttons: "Save and Send" (highlighted in purple), "Save", and "Cancel".

GUEST STATUS TRACKING

- See guest progress at a glance:
 - **Waiting to Send** – not sent yet
 - **Sent** – sent, not opened
 - **In Progress** – opened, not submitted
 - **Completed** – form submitted

The screenshot shows a dashboard for "The BIG Event". At the top, there's a header with event details: Event Date (05/21/2025), Facilitator (Lindsey Facilitator), Event Type (Apt Ceremony), and Invitation Mode (Easy Link). Below this is a "Guests" section with three cards representing individual guests: John Smith (Completed), Sarah Thompson (Draft), and Jane Smith (Sent). Each card shows contact information and a status indicator. At the bottom right, there is an "Add" button.

VIEWING RECOMMENDATION REPORTS

- Guest completed their form?
- Click the event → find guest → click their name.
- Click the **link icon** at the bottom of the popup window to open their report.

IMPORTANT TIPS

- Always double-check guest details before sending forms to avoid errors in communication.
- Use the Recommendation Reports to tailor your preparation and provide a safer, more customized experience for each participant.
- Regularly review guest statuses to keep your event preparations on track.
